Victim	3	Society					
Victim	4	CITY OF PROVIDENCE	325 WASHINGTON ST Providence, RI 02903				

### Arrests

On 09-20-2016 at approximately 1929 hrs. Task Force Officers Hubbard/LaBianca were in the area of 13-15 Payton Street when they observed several subjects loitering in the street and in front of the aforementioned residence. This residence is well known to Task Force members as a hangout for Blood Gang Members and affiliates. As Police illuminated the area with the Police vehicle's affixed spotlight, Police observed a subject known to them as Andrew Brown (██████-98) immediately grab his waistband and flee on foot into the rear of 15 Payton Street ( It should be noted that Brown is known to Police to have an active arrest warrant out of Cranston PD and an active bench warrant out of Providence PD.)

Simultaneously, an unknown black male, also fled on foot through the yards towards Homer Street from the front porch of 15 Payton St. Police gave chase while broadcasting the direction of the subject and summoned additional units to the area for assistance. Police were unable to locate the second subject. As Police were canvassing the area, Sgt. Desautels observed R.I. Registration IO-201 operating on Babcock St. towards Roger Williams Park. The operator of the vehicle who was later identified as Andrew Brown ██████98 turned left onto Cactus street heading towards Payton street. A passenger in the vehicle matched the description of the second subject who fled from Payton St. Police observed the vehicle fail to stop at several posted stop signs on Cactus street then turn left onto Payton street. Sergeant Desautels quickly advised several units in the area to use caution. Brown sped up and fled in the direction of Broad street. As Sergeant Desautels pulled onto to Broad Street the vehicle was observed abandoned in the roadway. The Brown subject fled the vehicle, running towards Eddy street. It was later learned the vehicle actually came into collision with the front of 1422-1424 Broad St. causing damage to the front foundation of the residence.

Police immediately broadcast the direction of Brown and quickly set up a perimeter. Officer McGloin and Lafferty located Brown laying down behind a garage located at 1422- 1424 Broad St. As McGloin ordered Brown out at gun point he gave continuous loud verbal commands to show his hands. Brown was observed manipulating an object in his torso area and was again ordered to show his hands. Brown was then ordered to stand and walk towards Police with his hands up. Police then attempted to take control of Brown's arm as he pulled forward and again reached towards his torso area. Fearing that Brown may still have a weapon on his person, McGloin struck Brown once in his right facial area in attempt to stun him. Brown immediately placed his hands behind his back and was taken into custody. (It should be noted that during this portion of the encounter, Officers McGloin and Lafferty had approximately 10-15 irate subjects run into the rear yard towards Officers yelling obscenities. Officer Lafferty attempted to keep the subjects at bay while McGloin radioed for more units, still keeping Brown at gun point.) Brown was subsequently escorted to the patrol vehicles.

Police then located a holster containing a black (XD 45cal. ACP Springfield/[REDACTED] containing 13 rounds) behind a rock where Brown was laying and observed manipulating the item. The firearm was photographed and seized by BCI and Police also seized two black gloves, and a baseball hat which were on Brown's person. The vehicle was towed from the scene by City Towing and Brown was transported to C/S where he was charged with the following:

- 1.) Carrying a Pistol without a license.
- 2.) Arrest Warrant out of Cranston PD
- 3.) Bench Warrant out of Providence PD
- 4.) Driving on a Suspended License
- 5.) Malicious Mischief
- 6.) Resisting Arrest

As Police were attempting to transport Brown from the scene, approximately 100 subjects spilled out onto Broad St. yelling obscenities and attempting to interfere with Police business. A female subject, later identified as Melicka Manning ([REDACTED]-96) was attempting to interfere with Police as Brown was being secured into a marked Police cruiser. Manning was acting belligerent and yelling obscenities in the face of Police and given several verbal commands by Police to leave the scene, get out of the roadway, and stop acting disorderly. Manning ignored commands and began to incite a large group of bystanders to surround Police creating a dangerous environment for officers. After several attempts, Police then attempted to place Manning into custody. She was advised to place her hands behind her back because she was being arrested for disorderly conduct and obstruction of justice. Manning refused to place her hands behind her back and was taken to the ground. She then attempted to get to her feet again and while swinging her arms. Manning was taken to the ground for the second time where she was subsequently placed into custody by Officer Britto and Lafferty and charged with the following:

- 1.) Disorderly Conduct
- 2.) Obstruction
- 3.) Resisting Arrest

It should be noted that Officer LaBianca sustained an injury to his left ankle on scene and was transported to [REDACTED] Hospital for evaluation. The firearm was negative NCIC/Local.

On 9/20/16 at 1929 hours, Car 242, Ptlm. Pfeiffer was monitoring a broadcast from Taskforce requesting additional units to the area of Broad Street/ Eddy Street. Prior to arrival, Police had the suspected vehicle which crashed at the above location. At this time, Police observed approx. 50-75 subjects surrounding Police units on scene while yelling and videotaping Police. Car 225, Sgt. McGregor on scene advised the subjects to clear the street due to being a crime scene. At this time, all of the subjects remained in the street obstructing the investigation.

Taskforce apprehended a male suspect and placed him in the rear of a marked cruiser. During the investigation, a female later identified as, [REDACTED]/(2002) approached the marked cruiser where the suspect was and opened the rear door in attempt to let the suspect out. At this time, four other females joined and tried to pull the suspect out from the marked cruiser. As Police recognized this incident, Car 221, Ptlm. Elie confronted [REDACTED] as she began to push Police while standing in the middle of the crime scene. Ptlm. Pfeiffer placed [REDACTED] into custody without incident. Police placed [REDACTED] into a marked cruiser where she was transported to Central Station by Ptlm. Matsumoto.

TOT Youth Services.

On 9/20/2016 at approximately 1929 hours Car 223 (Ptlm Zirolì) responded to the area of Broad/Payton St to assist Task Force Officers who were engaged in a foot pursuit. A short time later Car 223 monitored a broadcast via Channel 1 which indicated a suspect vehicle had crashed and a male suspect fled towards Eddy St. Shortly thereafter another broadcast was aired via Channel 6 requested cars to area of Broad / Morton St for a large hostile group. Several loud verbal commands were given by Police to the unruly/aggressive crowd to leave the area and get out of the middle of Broad St. At this time a male suspect was secured into the rear of a marked Police vehicle (which he subsequently kicked the rear window out of). Several subjects attempted to open the door to the Police car in an attempt to aid in the escape of the secured prisoner. Again Police gave loud several verbal commands for all subjects to exit the street (in order to secure the crime scene) or they would be arrested. Again the unruly/aggressive crowd refused to comply with Police commands at which time several subjects were taken into custody. At this time Ptlm Zirolì observed Kai Cable ([REDACTED]/1990) to be in the middle of Broad St (refusing to comply with all of Police's commands to disperse onto the sidewalk) while standing in close proximity to Police video taping the incident. Cable was taken into custody without incident and transported to Central Station.

\*\*\*\* It should be noted that Ptlm. Curi instructed Cable several times to disperse from the area to which she replied "I'm pregnant you can't touch me and my brother is a detective".

On 9/20/16 at approximately 1930 hours Car 241 Ptlw. Boudreau and Car 244 Ptlm. Lambert monitored a broadcast over channel 1 of a foot chase at 13 Payton. A short time later another broadcast came over asking for cars at Broad and Eddy for a large disturbance. Upon arrival Police observed 50-75 subjects in the street. During the disturbance while Ptlm. Elie was apprehending a subject, [REDACTED] [REDACTED]/02), a female subject, Malkyraah Cornwell [REDACTED]/97) came over trying to pull [REDACTED] away from Ptlm. Elie. Cornwell was pushed away and told to stay back by Ptlw. Boudreau. At this time Cornwell bumped into Ptlm. Lambert who turned around and wrestled her to the ground. At this time another female, Jaicia George ([REDACTED]/98) intervened trying to grab Ptlw. Boudreau from helping assist with the arrest of Cornwell. Ptlw. Boudreau grabbed George who was trying to push and pull away turning her back towards Ptlw. Boudreau. At this time Ptlw. Boudreau gave George a closed fist strike to the back of the head. George continued to pull away from police. Ptlm. Francis and Ptlw. Rudolph came over and assisted Ptlw. Boudreau taking George to the ground, placing her into handcuffs. George and Cornwell both were placed into custody and placed into the rear of a police cruiser. Ptlm. Lambert transported Cornwell to central station without incident and Ptlw. Boudreau transported George without incident.

Cornwell is charged with obstructing and resisting arrest. She is held for next session district court. George is also charged with obstructing and resisting arrest. She is held for next session district court.

On 9-20-16 at approximately 2000 hrs Ptlm Heaton took custody of a male prisoner, identified as Andrew Brown ([REDACTED]-98) from Ptlm Lafferty who was already handcuffed on Broad St at Peyton St for a previous incident. At this time Ptlm Heaton placed Brown into the rear of a marked Providence Police vehicle (Police Registration # 2348) and did begin transporting Brown to PPD Central Station. After only driving the vehicle a few feet, Ptlm Heaton then observed Brown begin yelling to let him out of the car because his sister was being yelled at and harassed. At this time Brown began kicking the rear left window of the police vehicle while he was handcuffed in the back seat. Brown then broke the rear window and continued kicking the inside of the door. Ptlm Heaton stopped the vehicle immediately, exited the front seat and observed Brown to be still kicking the door and the inside of the vehicle. At this time Brown moved towards the open broken window while continued to yell to let him out of the vehicle. Ptlm Heaton and Ptlm Clary then sprayed Brown with PPD Department issued OC Spray to prevent him from further damaging the police vehicle and exiting the open window. Ptlm Heaton then removed Brown from the rear of the vehicle and escorted him into the rear of Sgt Viera's police vehicle that was nearby. Sgt Viera then transported Brown away from the scene.

On 9/20/16 at approximately 1930hrs., Car 225 Sgt. McGregor responded to the area of Payton and Broad Street for a foot pursuit that the task force was involved in. A short time later, the task force broadcasted that a vehicle was traveling on Payton St. at a high rate of speed towards Broad Street. The vehicle, a 2001 gray Infiniti bearing RI reg. IO-201, crossed over Broad Street and struck a house. The operator, later identified as Andrew Brown DOB [REDACTED], fled from the vehicle.

While attempting to set up a perimeter in the immediate area, Sgt. McGregor responded to Broad Street at the scene of the crash. He observed several females inside of the suspect vehicle. Sgt. McGregor also observed a female, later identified as Ashley Shadasia [REDACTED] 98, inside of the driver's seat attempting to drive the vehicle from the scene. Sgt. McGregor ordered Shadasia to turn the vehicle off and exit the vehicle. Shadasia refused and stated that she was leaving with the vehicle because it was her cousins. The other females that were inside of the vehicle fled on foot. Sgt. McGregor continued to order Shadasia out of the vehicle while grabbing her arm. Sgt. McGregor shut the vehicle off and forced Shadasia out of the vehicle. At this time, Ptlm Froncillo arrived on scene and assisted in placing Shadasia in custody.

At this time, a large crowd started forming and became hostile towards Police. Additional units were called to the scene. Andrew Brown was located and placed into custody. While officers were walking Brown to a patrol vehicle, numerous subjects attempted to block the officers and prevent them from walking him closer to a cruiser. These subjects were forced to move out of the way by Police. After Brown was placed inside of a cruiser, which was parked in the middle lane of Broad Street, numerous subjects attempted to remove him. These subjects also assaulted officers on scene and several of them were placed into custody. Additional units were advised to respond to the scene.

Police attempted to secure the crime scene along with clearing the crowd that had formed in the Street both on Broad and Payton St. All subjects were ordered out of the Street and away from the crime scene. Numerous subjects refused Police commands and additional arrests were made. Sgt. McGregor assisted Task Force Officers in placing a female subject, later identified as Melicka Maanning [REDACTED]/96, into custody.

Ptlm Froncillo transported Ashley Shadasia to Central Station where she was charged by Patrol with Obstructing a Police Officer and held. All remaining subjects were transported to Central Station inside numerous different Police vehicles without further incident. The scene was secured with crime scene tape until the completion of the investigation.

On Tuesday September 20, 2016 at aprox. 1929 Hours Car 221 Ptlm. Elie responded to the area of Broad/Cactus for support of the above mentioned incident.

As police were securing a patrol vehicle with a suspect detained in the rear, a crowd of aprox. 50 to 75 people began to gather, the majority of which were hostile toward Police. At this time I observed several B/F's approach the vehicle, and open the rear door in an attempt to release the subject who was being detained.

Police approached the group, and began to push back the group as a B/F later identified as Shaleeya Liberty DOB [REDACTED]/97 began to push and strike Ptlm. Elie in the face and neck with her hands as a struggle took place on a vehicle that was parked on the roadway.

Liberty was taken to the ground, and placed under arrest for OBSTRUCTION, RESISTING ARREST, and ASSAULT.

Liberty was transported to Central Station by Ptlm. Matsumoto.

It should be noted that there was a visible scratch to the neck of Ptlm. Elie from this incident.
